

British American Business Group (BABG) Atlanta

Association Overview: BABG Atlanta is the premier transatlantic association dedicated to promoting connections, trade & investment by supporting economic growth between the south east United States & the United Kingdom. With nearly 400 members, the BABG offers unparalleled resources for proactively connecting, discovering & executing business on both sides of the Atlantic, as well as providing a dynamic British/American professional community in Georgia.

On the left is a summary of the core offering, activities & benefits of a BABG membership.

BABG is celebrating its 30th year of working closely with the Atlanta & southeast US communities, UK & US governments, numerous local economic development agencies, the Georgia Department of Economic Development, & the Metro Atlanta Chamber of Commerce.

For more information, visit BABG's website at www.babg.org
 Contact us at 404.681.2224 or exec@babg.org

BABG memberships are available at multiple levels and annual dues range from \$150 to \$1,100 per annum. Individual members can benefit from involvement within in a dynamic community, via participation and networking in a multitude of social and business oriented events. Corporate members gain exposure within the association to further their business interests, as well as introductions and ongoing access to key international execs from government and commerce.

Sponsor memberships are available a la carte depending on whether organizations are looking for awareness, promotion, active business development or exclusive access to the British consulate. All members benefit from BABG's membership of the British American Business Council (BABC), the largest transatlantic business network with 23 chapters & 3,000 member companies including many of the world's largest multinationals – located throughout North America & the United Kingdom.
